Dear Prospective Sponsor,

Boston Bhangra, Inc. is a non-profit organization dedicated to promoting South Asian culture and enriching the socio-ethnic identity of our youths. On **April 10th, 2021**, Boston Bhangra is proud to host **Boston Bhangra Competition Online** in its **17th year**. Due to Covid 19 and for the safety of our teams, staff and participants we have chosen to move the competition online. We look forward to making this even a bigger global event this year! This international Bhangra dance competition is one of the longest standing competitions of its kind in the world! It is an exciting event for the organization as well as a unique opportunity for you as a potential sponsor.

Boston Bhangra Competition has been a consistent success selling out to thousands of attendees every year. The competition has been regarded in the same way: one of the most well-run Bhangra competitions in the nation- an amazing honor to the Boston Bhangra staff, board, and community at large.

As a sponsor, your organization or business will have the chance to gain valuable exposure through this event. This will be one of the largest South Asian events in New England- and in our 17th year, we expect it to be one of the top Bhangra competitions in the US.
